Application of Condor Environmental, Inc.  
 Requesting Approval of a Reduction in Rates  
 Charged to the Country Place Homeowners'  
 Association and the Fairview Chase  
 Homeowners' Association

**Motion for Waiver**

Condor Environmental, Inc. ("Condor") moves for waiver of the requirements of S.C. Code Reg. 103-512.4.B to the extent the regulation applies to this application.

In this docket, Condor is applying, under S.C. Code Ann. § 58-2-240(G), for approval *nunc pro tunc* to charge reduced rates to the Country Place and Fairview Chase homeowners' associations. The Commission approved the Condor's agreements to serve, and initial rates, for the Country Place and Fairview Chase subdivisions in 2012. Order No. 2012-824, Docket No. 2012-315-S. Condor submitted the materials required by S.C. Code Reg. 103-512.4.B with its application filed in Docket No. 2012-315-S.

Now, Condor only requests approval for a reduction in the initial fees and charges and, in Condor's opinion, the regulation is inapplicable because Condor is not seeking to "establish a service area and rates and charges". S.C. Code Reg. 103-512.4.B. However, if the Commission decides the regulation applies to this application, Condor submits that a waiver is in the public interest and serves the interests of judicial economy. S.C. Code Reg. 103-803. The requisite documentation is readily available in Docket No. 2012-315-S (referenced in Condor's application) and refileing it in this docket is duplicative and unnecessary for the adjudication of Condor's application.

Respectfully submitted,

*s/ Charlie Terreni*
